Dear Presiding Judge,

Treatment Progress Report

ABS Division of Forensic Behavioral Sciences, Sexual Behavior Counseling Program and General Mental Health Counseling

Patient Name: Jacob Yusuf

This letter is regarding Mr. Jacob Yusuf. Mr. Yusuf was evaluated and admitted to ABS' 6 to 18 Month Outpatient Sexual Behavior Counseling Program on February 26, 2024. He is scheduled to attend two counseling sessions per week to address issues pertaining to sexual behavior and to enhance his life management skills and emotional stability.

Mr. Yusuf is currently in the third phase of the three-phase program which is the relapse prevention preparation phase. He is working on restructuring relationships with the community and family, and developing a support system that is aware of problematic behavior and supportive of recovery. He is also working on sex addiction and offending rehabilitation and the establishment of strong boundaries and establishing healthy relationships.

Since our last noted correspondence dated, Mr. Yusuf has attended 42 sex behavior group counseling and 37 general mental health individual counseling sessions with 5 excused absences on 6/7/2024, 7/19/2024, 9/5/2024, 9/6/2024 and 9/27/2024. He's attended a total of 48 individual counseling sessions and 42 individual counseling sessions. He demonstrates active engagement in psychotherapy, providing testimony during counseling sessions and being receptive to therapeutic suggestions from his Therapists. Continued progress in treatment is expected with consistent attendance and engagement in psychotherapy.
